Hello

I am greatly honored to be a part of a family owned and operated business. I get to work with honest good people every day and just knowing that brings a smile to my face.

My background includes 8 years customer service and management experience. 3 years working with QuickBooks Technical Support and 5 years in the Medical Field as a surgical technician.

I also have A Bachelors in Medicine, and an Associates in Applied Science with a Major in Medicine and a Minor in Accounting.

I am very excited to work with all of Real Gold's Clients, and I am even more excited to give all of you the best customer service possible. So not only do you get a Product with outstanding quality but you also will receive respect and kindness from Real Gold's Girl behind the desk!!!

If you would like to discuss any current products or any new products we could develop for you please contact us. My goal is to make sure you are 100% satisfied with all products and services from Real Gold Inc.

Thank You for allowing me to introduce myself.

Have a Goldtastic Day!!!!
